**Minimum Qualifications**

OFFICER	Must be Firefighter I, IML-1, SCBA Qualified and Department Active
DRIVER	Must be Firefighter I, ICS-100/700 and Qualified on All Apparatus
FIREFIGHTER SCBA	Must be Firefighter I, ICS-100/700, and SCBA Qualified
FIREFIGHTER	Must be Firefighter I, & ICS-100/700.

**Applicability of Night Duty Crew Only Response**

The Ranking Officer shall be responsible to determine if an additional dispatch if necessary to properly staff the Company. This point becomes critical in the case of Structural Fire Alarm Responses, Motor Vehicle Accidents & Fires involving Multiple Vehicles or Trucks, CO Responses or other Emergencies where an actual Fire or Rescue incident is Suspected or Confirmed. Additionally the Apparatus shall be staffed by no less than (4) personnel.

Please find your last name in the requested Day of Week Box(s) above, this schedule does not preclude unassigned members from responding, however the assigned crew is obligated to respond or arrange coverage. All scheduling is subject to review and approval of the Captain. All members are requested to respond when an additional assignment is requested or dispatched.
